

## IMPORTANT THINGS YOU SHOULD KNOW

Since some of the materials we use require time to cure or settle, please follow these important instructions:

- 1. Leave a door glass down slightly (about half an inch) for 6 hours.
- 2. Don't roll down replaced door glass for at least 6 hours.
- 3. Don't use a high-pressure car wash for 24 hours.
- 4. Avoid slamming doors for 6 hours.
- 5. Tape can be removed after \_\_\_\_\_
- 6. Other \_\_\_\_\_
